D1.1. Academic module "The EU Digital transformation for							<del>-  </del>	$\overline{}$	<u> </u>	<del></del>	Ι	<u> </u>		Т		$\overline{}$	$\overline{}$	<del></del>			$\overline{}$	$\overline{}$	$\overline{}$		$\overline{}$	$\overline{}$		$\overline{}$	<del></del>	<del></del>		$\overline{}$
Sustainability: studies and experience"																																
D1.2. Detailed plan-schedule																																
D1.3. Survey items							_	$\perp$	_							_	_	-			-+	-	+	-				<del>                                     </del>	$\rightarrow$	$-\!\!\!\!+\!\!\!\!\!-$	—	
D1.4. Designing project website, pages on social networks,																																,
project youtube channel and social network Digital																																,
educational community																																
MS1.1. Basic preparatory materials																																'
MS1.2. Structure and content of the module for students																																
WP2. Implementation																																
D2.1. Delivering course																																
D2.2. Curriculum and materials of summer schooll for																																,
primary school teachers "Best EU practices: Universal Design																																
for Learning"																																
D2.3. Curriculum and materials of Summer School for																																
primary school teachers "Best EU practices: Computational																																
thinking"																																
D2.4. Curriculum and materials of Summer School for																						$\neg$										
primary school teachers "Best EU practices: Digital Tools and																																
Solution for inquiry-based STEAM learning"																																
MS2.1. Stakeholder course approvals																									+	+	+		一	$\top$	_	+
MS2.2. Summer schooll 2023										+													$\top$		+	+	+		$\overline{}$	+	+	+
MS2.3. Summer schooll 2024								$\dashv$															$\top$		+	+	+		+	+	+	+
MS2.4. Summer schooll 2025																	-						+		+	+	+		_			
WP3. Evaluation																																
D3.1. Survey																Т	Т	Т				Т	Т	Т		$\overline{}$	$\overline{}$		$\neg$			
D3.2. Monitoring plan																									$\top$	_	+		$\overline{}$		$\top$	
D3.3. Quality control plan																							$\top$		+	+	+		$\overline{}$	+	+	1
D3.4. External evaluation reports								$\perp$															$\top$		+	+	+		$\top$	+		
MS3.1. Preparatory materials for assessment								_									_				-		$\dashv$		+	+	+		<del>-</del>			+
MS3.2. Evaluation analysis										+											-+		+		+	+	+	+		+	+	
WP4. Follow-up											1																					
D4.1. Analytical report																		T			T					$\top$	T					
D4.2. Teacher guide	$\vdash \vdash$							+																	+	+	+	+				
D4.3. Publications	$\vdash \vdash$					-+	+	$\dashv$	+																							
MS4.1. Analytical report	$\vdash \vdash$						-	+	+																							
,	$\vdash \vdash$							$\dashv$						$\vdash$	-+		+				-+	+	-	-	+	+-	+	+	+	+	+	
MS4.2. Materials for disseminating project results
